Summer Research Assistant

Job description:
The summer research assistants will work under the general direction of Prof. Paul Gompers at HBS. The position starts in early June and ends in August (exact day is negotiable). Students are expected to work between 20-40 hrs a week. Hourly pay is 12-14 dollars.

Primary duties:
1. Contribute to the empirical research in finance, venture capital and entrepreneurship.
3. Review literature.
4. Students are encouraged to work on a research project of their own. This is a great opportunity for students to come up new ideas and get first-hand research experience in economics and finance. Many of the past research projects have turned into honors thesis.

Basic Qualifications:
(1) Open to freshman, sophomore, junior and senior.
(2) Economics or related majors.
(3) Good academic standing.
