

Qualtrics University

We are looking for graduating economics students to join our Qualtrics University Team! This unique opportunity will allow you to spend each day working one-on-one with some of the world's top minds and leading researchers.

A few perks of the job:

- Tremendous internal growth opportunities: This team is **designed** to help you launch your career (whether that's here at Qualtrics or by preparing you for grad school)
- Learn and develop new technical skills (coding, research and analytics tools and software, survey design...)
- Work in a dynamic and fast-paced environment: [Check out this video to see our office](#)
- Be a part of and incredibly high performing and collaborative team with recent graduates from top universities all over the country

Corporate Sales

We are also looking for graduating economics students to join our corporate sales team at Qualtrics. If you're looking for a place to grow, our team members are promoted within their first year. We want to invest in you. Our accelerated training and development program will get you the valuable skills you need to consult clients and make an impact.

Corporate sales is professional consulting. It's business strategy. It's the communication and negotiation of value. It's working with other professionals to solve some of the most pressing problems facing their business today.

A career in sales provides you:

- Unrivaled autonomy
- Uncapped earning potential
- Opportunities to consult top brands in virtually every industry

So if you're ready to take on one of the most rewarding endeavors of your life, solve hard problems and start your career off on a rocket ship, corporate sales at Qualtrics may be right for you.
