CHINA ECONOMY SEMINAR: [home page](#)

Contact: Jennifer Amadeo-Holl, <amadeoholl@gmail.com> 617-650-7462 mobile

Meeting Time: Wednesdays at 8pm EST (day of week may vary to accommodate speakers)
- We hope this time works for most participants (it will be Thurs at 8am in China (GMT + 8)).
- For PST and GMT 0-1 time zones: A video recording will be posted after the seminar
Location: Zoom, until further notice

Description:

This seminar provides a forum for faculty, graduate students, and research fellows in economics and other fields to present and discuss research and scholarship on the economic and social transformation of China. The seminar will give special attention to the Covid19 pandemic, the environmental, technological, and social changes that are accompanying China's extraordinary economic development and to the links between Chinese and US economies.
